

Grow Your Business in 2009 and Support the Children with Avon Little League

Dear Avon Business Community:

With Spring Baseball fever just around the corner, it's time again to get your company name in front of thousands of baseball families and businesses in Avon. Avon Little League is growing more than ever, so don't miss the opportunity to show your company wears at the ballpark. This year, your business name can be displayed at all Little League fields and/or at Veterans Park. Be a part of the Little League spirit, and support the kids while they give us a lot of pride for their hard work not to mention the real thrill of a good, hard-fought game. You and your company can feel proud to be supporting the athletes of the future. Your company will benefit by your banner being the first the crowds of fans see as they enter the ballpark, or your company will be the one the crowds of fans look at when a ball is hit into the outfield. Your company will benefit year-round as the team displays your company name on the backs of their uniform. The recognition your company will receive is worth the small upfront investment.
