

TCFC Youth Development Academy

October 9, 2021

Team Challenger FC North offers a highly specialized training and development program for our younger players (6-7 years of age). Our YDA program provides the best path forward to learn the game of soccer. Our members learn to develop confidence on and off the field, ball mastery and a love for the game.

The program is a year round commitment offered Fall, Winter and Spring.

Fall and Spring training/games are played on our outdoor grass fields in Avon, Ohio.

Winter training and games are held on hardcourt (futsal) in Lorain at Lost Nation Sports Park West.

If you are interested in a tryout, please contact our Director of Coaching, Chris Dore, at cdore09@hotmail.com for more information.

All players must first register for tryouts (no cost) on our registration site and then submit a completed player packet. Information to access both can be found below.

- Registration website: www.challenger.sportssignup.com
- TCFC Website: www.teamchallengerfcnorth.com
